

L Line Treaty

Preamble

The Parties recognise that a strong relationship between the contracting parties is of significant national interest, and seek to deepen the links and anchor the bilateral relationship and cooperation of all nations involved.

Noting this desire to establish strong and substantive diplomatic relations, on the twenty third of July 2021 the nationstates of Gabon, Lambat, Lumière and Lusitania agreed to build a rail that connects all of the contracting parties to one another.

Have accordingly appointed as their Plenipotentiaries:

His Excellency, King of Lusitania and Lord of Portucale; Metriximor

His Honourable, President of the Republic of Lambat; Kaprediem

His Excellency, Lord High Chancellor of the Free Republic of Gabon; BritishWanderer

Her Excellency, Consul of Lumière; AmandaCC

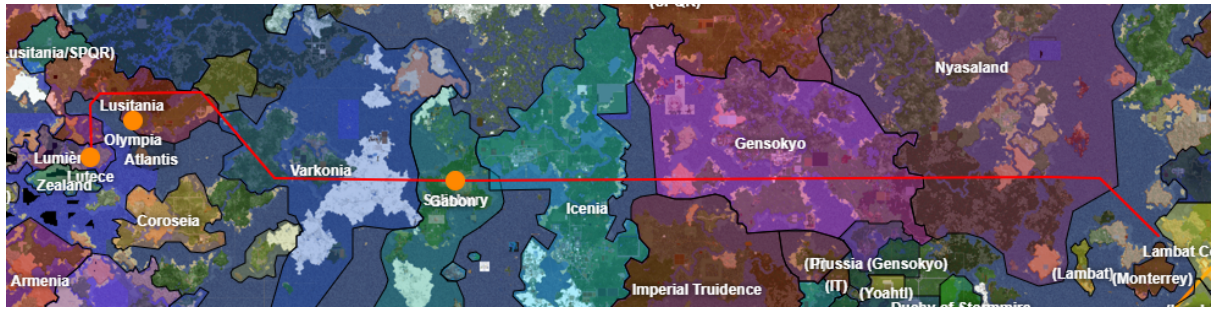

Figure 1 - Proposed rail line starting in Lambat and ending in Lumière

Treaty

- I. A rail line will be built according to figure 1.
 - A. The line will be built following local rail standards when they exist.
 - B. The line shall be:
 1. Two way.
 2. Right handed.
 3. Properly lit up in a way that no enemy mobs spawn.
 4. Have no griefable toggleable levers on powered rails.
 5. Have no visible ores of any kind.
 6. Maintain a constant high-speed with no obstacles slowing down travel.
 7. Well documented stations explaining the use of the line.
 - C. Optionally the line will have:
 1. Decorations along the line.
 2. Large enough size to allow for a horse rider.
 3. An iceroad next to it for faster travel.
 4. Powered booster rails should be placed every 32 meters.
 - D. The line can be underground or overground.
 1. When underground, it is preferable to build it at the height level of 12.
 - a) As of the version 1.16.5 of Minecraft.
 - E. All nations that the line passes through must consent and approve of it.
 - F. The use of a simple destination command is to be guaranteed.
 1. No third party systems will be required to use the rail.
 - a) Third party systems may be installed to enhance the rail.
 2. Simple destination is defined as no more than solely the name of the nation whose destination is intended.
 - a) The *Free Republic of Gabon* will use "Gabon".
 - b) The *Republic of Lambat* will use "Lambat".
 - c) The *Consulate of Lumière* will use "Lumiere".
 - d) The *Kingdom of Lusitania* will use "Lusitania".

- II. The signatory parties will commit to further deepening and increasing relations between each other.
 - A. The signatory parties will set up embassies in each other's nations.
 - 1. A discord channel embassy may be opened between the nations.
 - B. Corporations will be allowed to trade freely among the signatory parties which is defined as:
 - 1. No taxes can be imposed on the corporations.
 - 2. No embargos can be imposed on the corporations.
- III. More destinations may be added with an addendum to this treaty.
 - A. A 2/3rds majority of the signatories must consent to it.
 - B. All nations that the extension goes through must approve of the rail.
