

Lusitania-Rozia Mutual Recognition Treaty

Seeking to promote regional peace and stability, as well as to create a foundation for the joint resolution of future challenges, the *Kingdom of Lusitania* and the *Republic of Rozia* agree to the following terms:

1. Lusitania and Rozia recognize each other as independent sovereign states.
 - a. Both parties are to conduct diplomatic talks and the settlement of disagreements through official channels, respecting the rules-based international order.
2. The signatories of this Treaty recognize the territorial integrity of one another, hereby establishing official borders between the Kingdom of Lusitania and the Republic of Rozia. The border is defined by the following terms and with the aid of Appendix 1.
 - a. The Rozian-Lusitan border will be demarcated on the West by the Savannah and Desert biomes, with the Savannah belonging to Lusitania and the Desert to Rozia.
 - b. Said demarcation will continue until having reached the X coordinate 9230, at which it will descend to the Z coordinate 2803, henceforth denominated as the 2803rd Parallel.
 - c. The border will continue eastward until having reached the Savannah biome, at which the border will continue through the southern border between the Desert and Savannah biomes.
 - d. The jurisdiction over the southern river is to be demarcated at its central location.
 - e. Lusitania is to cede a portion of its territory in the desert to Rozia, establishing thereby Rozia's international borders with Lusitania.
 - i. The territory ceded is demarcated in Appendix 2 by the green area.
3. The signing parties renounce all claims to each other's lands.
